

Texas Department of Public Safety Officers Association

ASSOCIATE MEMBERSHIP APPLICATION

Since the Texas Department of Public Safety was established, 82 DPS officers have been lost in the line of duty. 2009 marks 35 years that the non-profit Texas DPS Officers Association has been dedicated to aiding families of DPS Officers killed in the line of duty.

In addition to our Death Benefit Fund, the DPS Officers Association provides emergency financial assistance, professional legal counsel, and other programs for the fine men and women who place their lives on the line to serve and protect the citizens of Texas. DPSOA also offers support for our Texas communities through scholarships, support for youth at risk programs, and a "Trooper Teddy" program for young victims of violent incidents.

DPSOA invites you to join our cause. Support the Death Benefit Fund and our other programs by taking advantage of a unique opportunity to become a DPSOA Associate Member.

Here is an opportunity to join the ranks of an Association that proudly claims over 3,600 State Troopers, Criminal Law Enforcement Officers, Forensic Scientists, Texas Rangers, and Communications Personnel of the state's top law enforcement agency as Members.
